Subject: Trademark Application Serial No. 78399211 Received

<MARK> SIMPLY DIVINE (standard characters)

The mark is presented in standard characters without claim to any particular font style, size or color.

We have received your application and assigned serial number '78399211' to your submission. The summary of the application data below serves as your official filing receipt. For electronically-submitted applications, the USPTO will no longer mail a paper filing receipt. If the USPTO later determines that no filing date was justified, your submission will be returned, and your filing fee will be refunded. You could then, if possible, cure the deficiency, and re-file the application.

If you determine that you made an error in the information you entered, you may file a preliminary amendment electronically, stating your proposed correction, at http://eteas.uspto.gov/V2.0/pa240/WIZARD.htm.
NOTE: You cannot file a Preliminary Amendment until at least 30 days after initial filing of the application. Prior to that time, the serial number will not appear in the USPTO database (even though the number was assigned at the time of filing), preventing the uploading of new data.

The examining attorney will determine whether the change proposed in the amendment is permissible, within the normal course of his or her review of the application. Please note that not all errors may be corrected; for example, if you submitted the wrong mark or the incorrect goods and/or services, if the proposed correction would be considered a material alteration to your original filing, this will NOT be accepted. Unfortunately, your only recourse in that event is to re-file - your fee would NOT be refunded. Once you submit an application, either electronically or through the mail, we will not cancel the filing or refund your fee, unless the application fails to satisfy minimum filing requirements. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

In approximately 6 months, you will hear from the assigned examining attorney.

NOTE: If you have a question, comment or technical concern about your specific application or TEAS in general, please send that question to PrinTEAS@uspto.gov. NOTE: To check status information, please use either http://tarr.uspto.gov, or call 703-305-8747 (M-F, 6:30 a.m. to 12 midnight, EST). However, do NOT attempt to check status until at least 45 days after submission, to allow sufficient time for our databases to be updated.
